Aldo Giarelli

Portrait and fashion photographer from Torino, Italy. No problem in packing his things up and travel. Always between “oh my god, this is amazing!!” and “oh noes! not again!!”. When he was a child he wasn’t that good in behaving properly but he ate all his broccoli. Today is the same.

OUTWARD

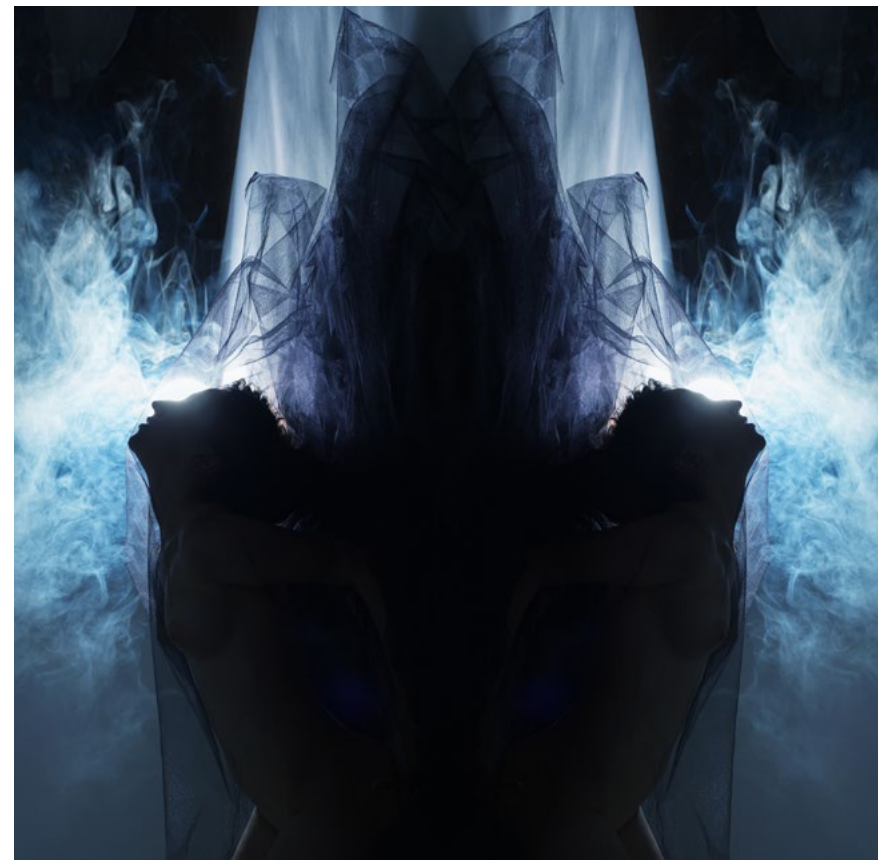

The universe is huge and diverse. All that we know about it is all that we get from our five senses - sight, touch, hearing, smell and taste. But even these excellent instrument let us see just a small part of the whole thing.

What happens beyond the limit of our senses? What if there's a million of different universes in a teacup?

What if every cell of our bodies is conscious and lives a life that's beyond our understanding?

What if our emotions are living and thinking? How would our world look like from their perspective?

The "Outward" series is Alisa's reflections on the universe inside a human. How may it look like? How does the life inside exist? Let's look into ourselves - into a new, undiscovered universe!

KALEIDOSCOPE ON THE 8 HILLS

Hong Kong - the quaint city of skyscrapers, a mazes reflections. He is always new and never stops to amaze, it gives a new look, gives new perspectives. This city is always in a hurry and these skyscrapers are silent guards, which are turned to the sky, but by staying for a second and then lifting the sight up, you'll see in the sun another world - a world of slender geometry, architectural harmony, in its pure perfection.

Ewa Cwikla

Ewa Cwikla Fine Art Photography specializes in creative, emotional and timeless images of children.

<http://ewafotos.com/>

“For me, photography is something more than technique and tricks. The secret does not reside in color, composition, and form, but in emotional content. The other elements and technical tools can only contribute to increasing the power of the image. A photograph should lead to a feeling and this to a sensation. This is the challenge of my images.”

Frank Lassak

Founded in 2009, Frank runs his photographic atelier Efacts Photography in Berlin. His works focus on cinematic scenes - be it portraits, film stills or conceptual works. Documentaries and set/stage photography are additional fields. With several solo exhibitions in Berlin, Vienna, Thessaloniki and other European cities, upcoming shows in London (UK), Florence (Italy) and Johnson City (USA) as well as publications in international art and photography magazines and a substantial portfolio featured by Vogue Italy, his specific narrative style has attracted an ever growing audience. Frank draws his creative energy from a long lasting passion for movies, dramatic theater, classical music and contemporary art. This amalgamation of influences has formed his unique visual language. After working with digital cameras for some time, he returned to film photography in 2014, for reasons of improved picture quality and overall aesthetic appeal.

WELCOME TO TWIN PEAKS – 2015-2017

It was the TV series of the 1990s - and it's coming back. When film director David Lynch and screen writer Mark Frost announced that they would produce the third season of Twin Peaks to be aired in 2017, I quickly decided to create a photographic homage to the series. After gathering some information about what the next season might deal with, I sat down with the team to outline the ideas of our tribute. As can be seen in the pictures, we decided to focus on characters that played in the first two seasons – and added some imaginary parts to the cast. The series consists of ten pictures that are currently part of a solo exhibition at März Gallery, Berlin. The show is on until 30th July and will thereafter move to Vienna and Florence.

Cast and Crew: Nina Jarlowski, Ece Yontar, Lena Krebs, Sarah Marie Krebs, Louisa Kern, Falko Hartmann, Celine Yildirim, Florence Klement, Jenny Baasner, Christian Harting, Joschka Bigga, Stephanie Barreto de Araujo, Florian Bondzey, Berit Glaser, Arnaut Vackier, Christian Harting, Yvonne Yung Hee Bormann, John Robin, Katharina Sporrer, Janina Weida, Drifa Hansen, Daniel Hoffmann, Meinolf Saggel, Eleni Vogiadjis, Marco Goldenstein, Yvonne Yung Hee Bormann, Bastian von Bömches, Jürgen Nafti, John Robin Wahlström.
