FOR YOUR DAILY INSPIRATION:

WELCOME

The last few years I have seen the website getting more serious and with this monthly e-Magazine a dream came true. I'm very glad you all like it.

I got some very cool skilled people helping me out finding awesome artists, writing articles and tutorials. Kristel, Tobia, Luke, Magdalena, Carolina, Maria and Fabio thanks a million! Kjetil will be added to the team very soon, can't wait to publish his great photography tutorials. More info about our contributors can be found on the About page on the website. Visit their websites and send them a personal thank you if you like their work on the website too!

This issue we start with very cool fine art by visual artist Mircea Popescu based in Romania on P5. Awesome series and featured on the cover Senior Art Director Mako Miyamoto from The United States on P14. Illustrations by Spanish independent illustrator Jon Juarez on P23. Breathtaking shots of the Tyrolian Alps by Lukas Furlan, student and photographer based in Italy on P32. And we end with a very cool illustration series by Thomas Colligan, Student At Pratt Institute Brooklyn, NY on P41.

Enjoy this issue and all have a great creative month! Next issue will be up 2nd of March!
