FOR YOUR DAILY INSPIRATION:

WELCOME

Hey all! Hope you are all well! Time is flying, issue 7 already! Thank you all for your kind words and support! I think it's getting better by the issue and I hope you love the e-Mag's as much as I do! Hope it gives you plenty creative inspiration and please share your work on the website if it does!

Last week the website got updated, hope you like it! We discontinue the tutorial section and are more focusing on what the website is about, giving creative inspiration. Big thanks to Tobia, Magdalena and Fabio for their tutorials! More cool additions on the website to come, more about that soon! Any feedback is much appreciated! Back to the e-Mag!

This issue we start with very colorful and creative illustrations by Sébastien Feraut / NIARK1 from France on P5. The colors and characters are amazing, so cool! Stunning shots by Igor Oussenko from Russia on P14. Great portraits and great use of color! Illustrations by Maaïke Bakker based in South Africa on P23. Love the forms and colors. A very funny photo series, called Blow Job, by Tadao Cern from Lithuania on P32. Hilarious, check it out! And we end with kick-ass digital art by France super talent Nicolas Obéry on P41. Details are amazing, big fan of Nicolas!

Enjoy this issue and all have a great creative month! Next issue will be up 2nd of April!
