HEY!

On the website we introduced a new section, called Portfolios. Invited artists can showcase their best work and inspire people from all over the world. All portfolios will be promoted on the website, shared on all our Social Media Channels and artists have a chance of being featured in this monthly e-Magazine. Do you think you make awesome inspiring work? Please send me a link to your portfolio!

We have a winner! Round 2 in our mashup battle goes to Valentina Brostean! Check out her winning entry on page 2. You can download the full-size wallpaper on our website in the Hall of Fame!

Selling your work online? Consider promoting your shop in our Mall of Inspiration! The Mall of Inspiration is a virtual shopping mall located on our website. There are different units available on different levels. The mall provides our viewers a virtual shopping experience in their own creative niche. Each company who rents a unit also gets a company page for promotion and depending on what kind of unit you rent, some free extras are included (like banners on homepage and ads in this e-magazines). Go to the Mall section on the website and order your unit now!

Hope you enjoy this issue and hope to see you next issue which will be 2nd of September! All have a very awesome creative month!
